Testimonials

Trude Kristin Bah has completed several translation jobs for our company, mainly within IT and software, localizing material and software for one of the world's largest brands. Trude has a broad set of skills and I will happily recommend her for any translations within her wide areas of competence."

Inger Kontochristos, founder and manager, Adepto Norway

"Thank you for the excellent work and time you have put in our transparency campaign. It is smashing! You have made fast turnaround and delivered high quality work on high command in a short time!"

Simon Elander, Area Manager for GSK (Glaxo Smith Kline)
